Dear Acharya Lama Sonam and the members of Himalayan Karuna,

I really appreciated you all the wonderful hard work.

Might you all heard that I planned for the construction of Karma Leksheyling Primary school it is because the students are coming every more and more but our accommodation is very limited. Karma Leksheyling Pry School is aimed to give the modern education and facilities.

I would like to request our Karma Kagyu Trust to support by spreading the new Karma Leksheyling Primary School project to others who are interested to donate under your Trust committee. Here I am attaching the detail of it. I am confidence you help us.

Yours Lama Phuntshok.
